

AeroBox™

AERODYNAMIC, LARGE-CAPACITY STORAGE BOX

The AeroBox™ is a rear-mounted, secure truck box that improves aerodynamics and creates an easily accessible and portable space for storage while integrating practical features for work and life.

ecological™

Distinctive products and accessories that are highly functional, economical and environmentally friendly.

AEROBOX™

The AeroBox™ is a rear mounted, secure truck box that improves aerodynamics and creates an easily accessible and portable space for storage while integrating practical features for work and life.

- Fuel savings
- Easy to reach
- Weatherproof
- Lockable storage
- Cargo strap (optional)
- Removable dividers (optional)
- Locking bolts (optional)
- Integrated handle with rolling wheels
- Tie-down latches
- Bicycle tire holder
- Universal mounting and attachment feature
- 150 lb. load capacity

BENEFITS

Spend Less on Gas

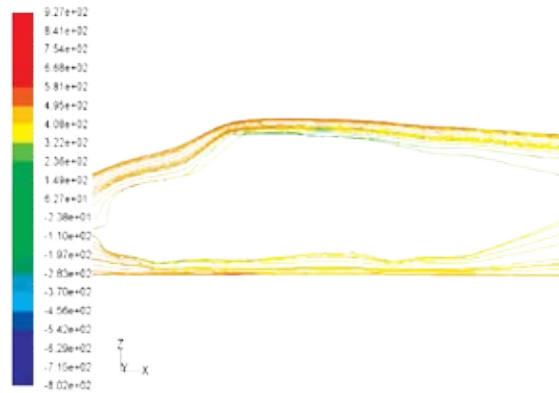

The AeroBox™ actually improves fuel economy! Drag coefficients are reduced by 4.25% compared to trucks without the AeroBox™.

Improve Truck Functionality

The AeroBox™ gives your truck added traction and better handling because weight is over the back tires. With rear-mounted storage, your gear is easier to reach. The AeroBox™ also makes organization easier with optional removable dividers.

Keep Your Belongings Secure

The AeroBox™ is secure to protect cargo, yet is easy to slide in and out of the truck bed. Use the handle and wheels to roll your contained cargo.

Fits in trucks with a 60 inch bed width.

SPECIFICATIONS
