

VERSA[™]

BUMPER

CUSTOMIZE YOUR TRUCK BUMPER WHILE ADDING VERSATILITY

Completely customize your bumper, yet maintain durability, improve fuel efficiency and reduce your carbon footprint. You can change the look of your truck anytime with bumper claddings that come in a variety of colors, textures and patterns.

ecological[™]

Distinctive products and accessories that are highly functional, economical and environmentally friendly.

VERSABUMPER™

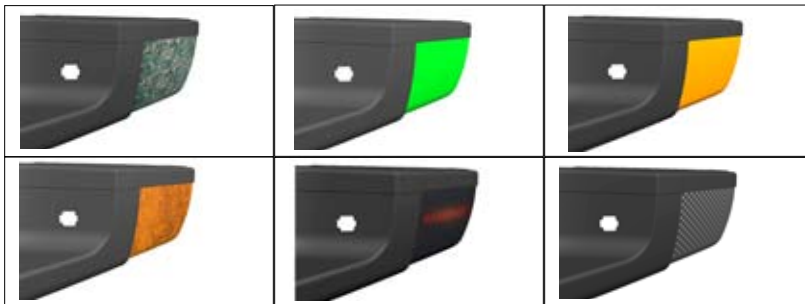

The VersaBumper™ is just that—a versatile bumper that can have any look you want. Just change claddings to get a new color and style. It's made from resilient, corrosion-resistant materials to give it more strength and impact resistance than conventional truck bumpers. These materials ensure it is compliant with OEM impact requirements, meaning there's low insurance and damageability costs.

FEATURES

- Various colors, patterns and textures
- Improves fuel efficiency
- Personalize your truck with your graphics!
- 12–20 lbs. lighter than conventional bumpers
- Corrosion resistant
- Highly impact resistant
- 300 lbs. of step loading
- Compatible with OEM impact requirements
- Made of recycled materials
- Painted with environmentally-friendly products
- Low insurance / damageability costs
- COMING SOON: Built-in features including an electrical outlet, first aid kit, speakers, tool kit and hitch accessories

CUSTOM CLADDINGS

Customize and stylize with easily changeable custom claddings. The claddings come in a variety of colors, textures, patterns and geometries. You can also add your artwork to your bumper. Simply send us your image, whether it's your company's logo, your own creation or anything else you can imagine. The cladding can also be can be backlit, which provides a unique lighting opportunity.

ASSEMBLY

Seen here is the base bumper structure, attachment kit and the chrome cladding, just one of the many cladding styles!
